

## 1q84 (Libro 3) (Spanish Edition)

A las voces de Aomame y de Tengo se suma, en este tercer volumen de la novela 1Q84, la de un nuevo personaje, un hombre llamado Ushikawa, que trabaja como detective. Su última misión se la había encargado Vanguardia, el misterioso culto religioso: consistió en comprobar si Aomame era digna de confianza para trabajar para el líder. Ushikawa dio el visto bueno a la joven, pero esta los traicionó a todos, cometió un nuevo asesinato y luego desapareció. Si el detective no logra encontrarla, la venganza del culto se abatirá sobre él. Entre tanto, Aomame y Tengo, cada uno a su modo, siguen deseándose en la ausencia, buscándose en el más puro estilo de Murakami casi sin moverse de su sitio, aislados, quizá a punto de experimentar un giro radical en sus vidas y esperando un reencuentro que los redima... en el mundo de 1984, o en el de 1Q84, ese fantasmagórico universo con dos lunas. /

Aomame betrayed again, she committed a murder and disappeared. The detective has to find her. While, Aomame and Tengo, wishing each other in the distance, searching without moving, isolated, just about having a radical change in their lives and hoping for a reunion that will redeem them both, in the world of 1984, or in the 1Q84, in this ghostly world with two moons.
