

King Solomons Mines (Vintage Classics)

A Victorian Indiana Jones, Allan Quatermain triumphs over deserts, snowy mountains, tribal warfare, and witches, and unearths the mythical treasure of King Solomons mines. Includes four additional short stories featuring Quatermain. This faithful but unpretending record of a remarkable adventure is hereby respectfully dedicated by the narrator to all the big boys and little boys who read it. I offer apologies for my blunt way of writing. I can but say in excuse of it that I am more accustomed to handle a rifle than a pen. This is the strange history of our journey into the heart of Kukanaland; a trek into the interior of the dark continent to find a lost friend and discover the diamond mines of King Solomon. In the course of a long life of shaves, I never had such shaves as those which I had recently experienced. —Allan Quatermain, of Durban, Natal, Gentleman
