

Selected Short Works by Henry James: The Aspern Papers: The Beast in the Jungle: The Jolly Corner

Henry James explores human character with an elegant realism. This collection offers three of his most popular shorter works. In *The Aspern Papers* cultures, generations, and genders clash as a literary historian tries to pry a packet of letters, written by an important American poet, from the woman to whom they were sent. *The Jolly Corner* and *The Beast in the Jungle* feature characters who encounter apparitions that may express aspects of their hidden selves.
